REQUESTS FOR PREFERRED SITES WILL BE FILLED ON A FIRST COME FIRST SERVED BASIS. See site map. An updated reservation map may be found at lakeantoine.org on the Shop/Donate Page under the "Lights at the Lake Reservation" item. This map will be updated on the store item every time a site is reserved.

Notes: The maximum number of sites per participant is **two** and sites may not be "shared". The sites available for the event are colored yellow on the map included. We encourage you to look at sites beforehand. All sites have their own electric pedestal at the rear of the site and vary in size and character. See new contest rules.

By requesting a site to decorate, I understand the following: I/the organization will provide outdoor lights, outdoor extension cords, an outdoor timer, non-inflatable decorations, and signage identifying my organization for display from **Thanksgiving Day, 11/26 – Friday 1/1/27**. I/the organization will have all lights connected to a timer(s) set to "on" **4 pm**– "off" **10 pm** for the duration of the public "show" dates. There will be awards for best display (3 places-see contest details) and an optional **Open House 12/13**. "Lights" viewing will be free to the public– Thanksgiving to New Years Day. The route will be the same as last year (see map.)

Site decorating may **start Saturday, October 17** and must be **completed Sunday, Nov 22**. I/the organization understand the display should be anchored to **withstand 50 mph winds** and have **ground connections waterproofed**. Nailing to trees or permanently damaging the campsite is not allowed. Someone will check our site after a significant weather event and at least weekly to verify that lights are on and the display is standing. Consistently dark sites won't be invited back for 2027.

I/the organization accept(s) and assume(s) full liability for any loss or damage that may occur to my lights and decorations and will not hold Lake Antoine Park Partners nor the Dickinson County Parks responsible; display will not be removed prior to the end date of December 31, 2026 at 10 p.m. All decorations must be removed as soon as possible after Jan 1, 2027. We will provide additional guidance, pending park maintenance needs and weather.
