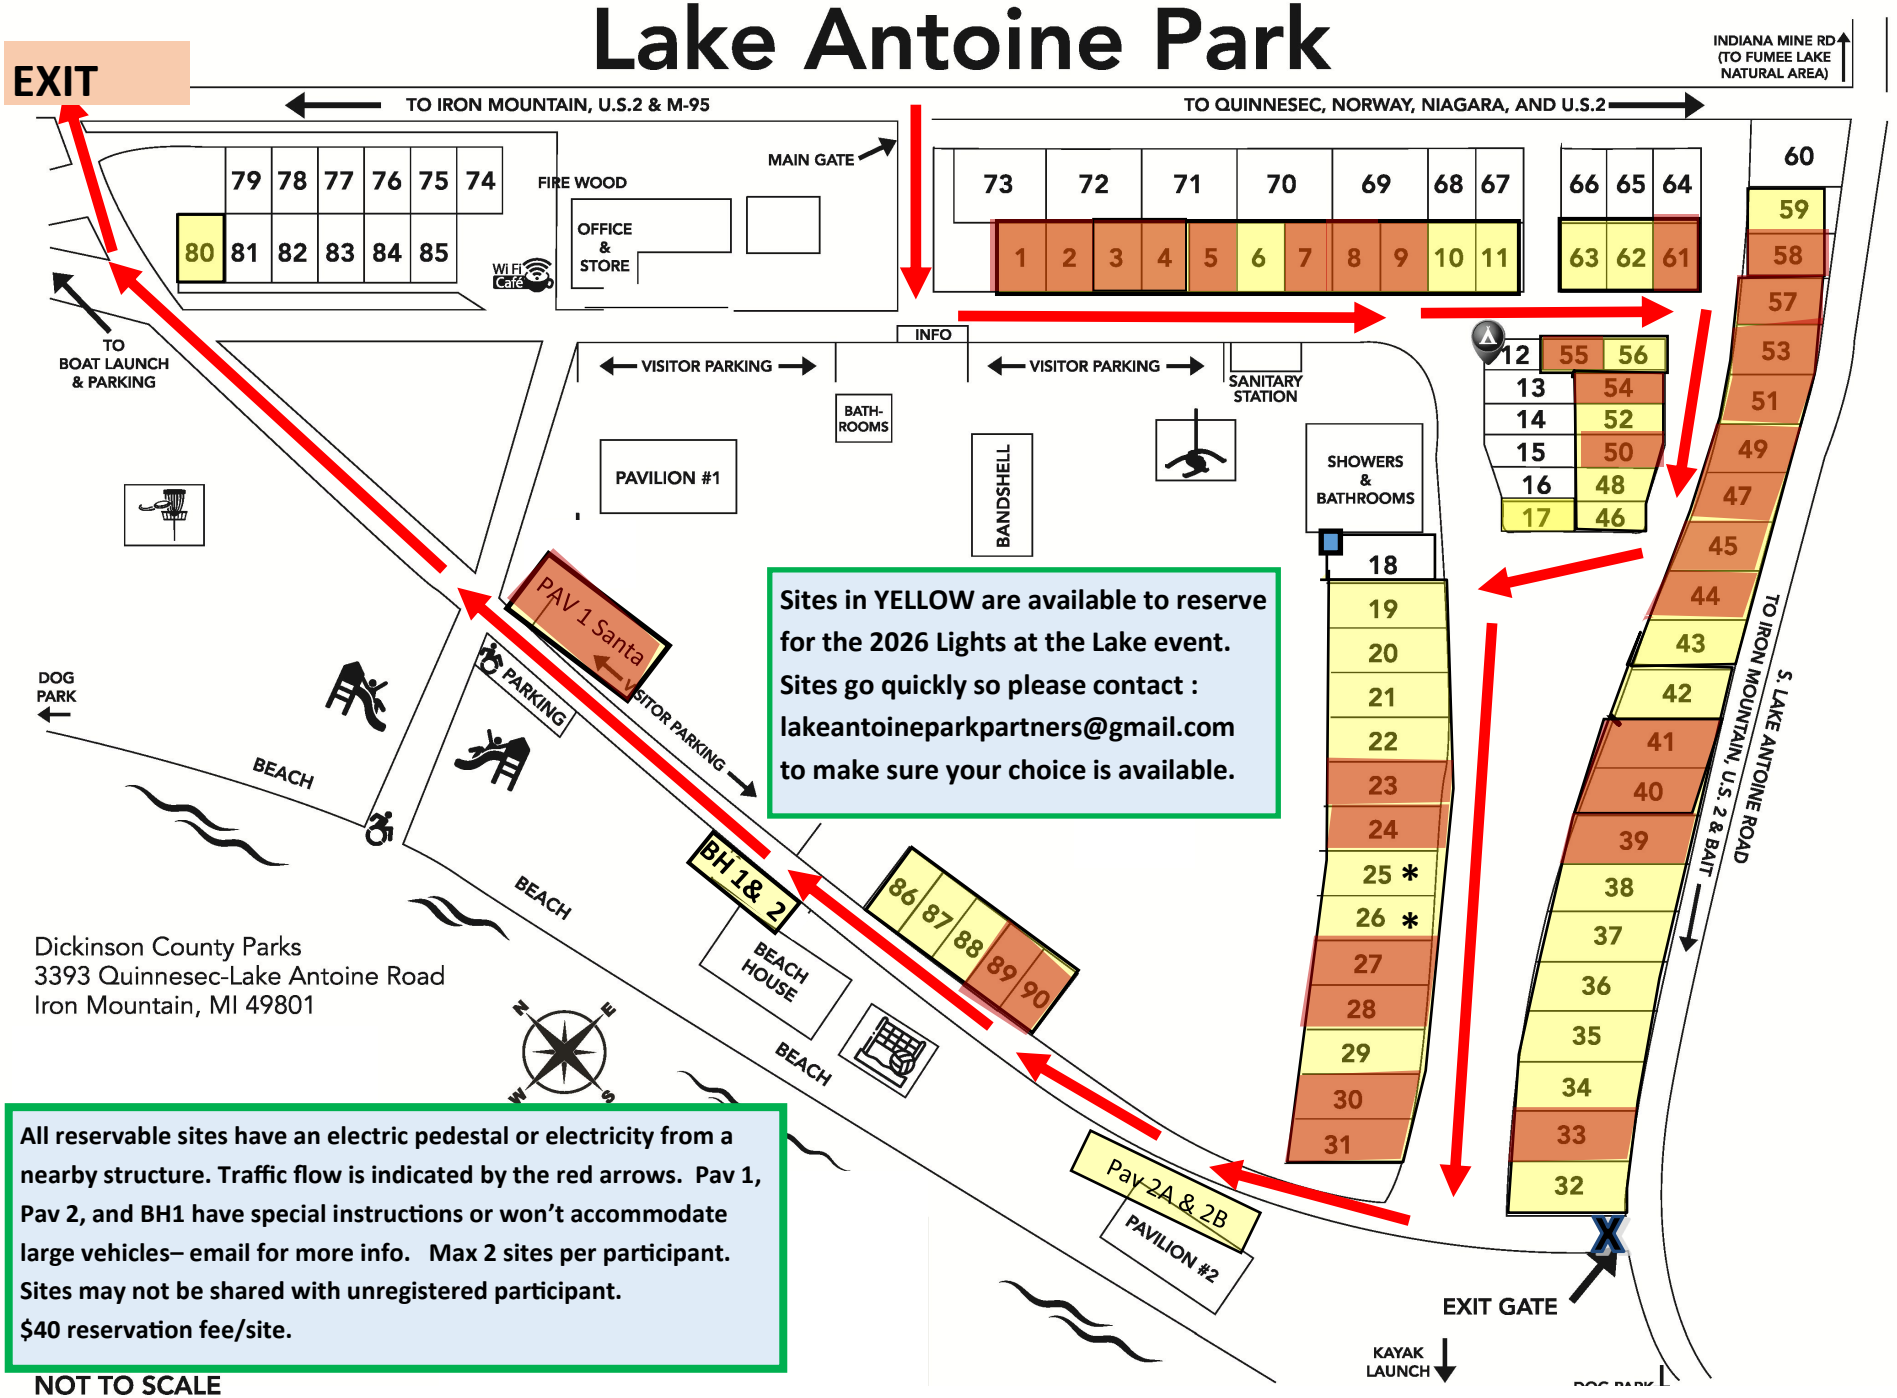
2026 Lights at the Lake Map

Lake Antoine Park



Sites in YELLOW are available to reserve for the 2026 Lights at the Lake event. Sites go quickly so please contact : lakeantoineparkpartners@gmail.com to make sure your choice is available.

All reservable sites have an electric pedestal or electricity from a nearby structure. Traffic flow is indicated by the red arrows. Pav 1, Pav 2, and BH1 have special instructions or won't accommodate large vehicles– email for more info. Max 2 sites per participant. Sites may not be shared with unregistered participant.
$40 reservation fee/site.

NOT TO SCALE

An updated map of available sites can be found by clicking on the "Lights at the Lake" ITEM on our online store: lakeantoine.org "Store"
